

# HOW TO CREATE: A FACEBOOK FUNDRAISER

You could set up a dedicated fundraising page for Newlife through Facebook. This page can be used to raise money and awareness, share stories and promote your activities to your Facebook friends. Donations to Newlife can be made directly through this fundraising page, helping you to reach your target.

**Just follow these 6 easy steps to set up your Facebook Fundraiser.**

1. Simply visit **[newlife.support/RaiseOnFacebook](https://newlife.support/RaiseOnFacebook)**
2. Click on **Create a Fundraiser** and then **Get Started**
3. Decide **how much money** you want to raise, and when the fundraiser should end (*GBP currency is preferred*)
4. Give your fundraiser a title and explain **why and how you are raising money**
5. Choose a cover photo and **click create**
6. **Invite Facebook friends to join your fundraiser**, don't forget to post updates and share any events you will be doing

## **Single Gift...**

You can also add a donate button to any post that you put on Facebook by clicking on **what's on your mind** and then **support charity**. You can even add a donate button to live videos so your friends can donate and support you whilst you are doing an event or challenge.
