

Fundraising Pack

All you need to help children with disabilities today...

100% GUARANTEE

Newlife guarantees that 100% of any money you donate will go towards helping disabled and terminally ill children in the UK.

Not a penny will be taken out for anything else.

Together, we
will make
life better

Why we need your help

- There are children in your county waiting for equipment that will change their lives.
- Some of these children have a terminal illness and may face a long wait for equipment.
- We are experiencing record demand for help from families and we can't do it without you.

Caoilte, one, with Spinal Muscular Atrophy had spent almost half her life in hospital. Newlife provided a specialist bed and buggy so she could come home. Dad Robert said, **"the equipment they have provided has made a really big difference."**

Why Newlife?

- **Our 100% guarantee.** We guarantee that every penny donated is spent on the needs of children.
- **Local needs.** We track the need in every county. To help a local child, visit newlifecharity.co.uk/local
- **A charity you can trust.** We will tell you exactly how your money is spent to change a child's life.

How we achieve this

We do this by providing essential disability equipment, such as wheelchairs, specialist beds and car seats for children who would otherwise go without.

Our professional nurses provide key information, support and a caring voice when families need it most.

We also help families play together with our Play Therapy Pods and create enduring family memories through our Comfort Capsules.

Finally, we campaign for change at national and local level and carry out ground-breaking medical research into the causes of birth defects.

Organising your own event?

- The more you sort out the details, no matter how minor they may seem, the better the chances of success
- A small, well organised activity can be more successful than a large one
- Choose the right date and venue
- Set your fundraising target
- Contact people you know
- Publicise your event
- Promote on social media, spread the word
- Take lots of photographs
- Thank everyone who attended

Remember, we are
here to help you.

We can advertise your event using posters, emails and social media.

Maximising Sponsorship

Sponsored events are always a good fundraiser, attracting adults and children.

- Involve as many family, friends and colleagues as possible.
- Newlife can supply you with sponsor forms for your event, together with a letter of authority.
- A very simple and effective way to raise sponsorship is by using www.justgiving.com/newlife.
- Gift Aid is a great added bonus for charities; if your donors or sponsors are UK tax payers, we can increase the value of their gift at no charge to them.

Keeping it Safe

It is important to make sure that everyone at your event, including spectators, are safe while having fun.

- Ensure that children are safe and don't allow them to solicit or collect money without an adult.
- You must comply with the Health & Safety at Work Act 1974 and all other relevant subordinate legislation.
- Newlife cannot accept responsibility for accidents.
- If you are carrying money around, take care with personal security.
- Make sure that no-one is fundraising, working or spectating in an unsafe environment.
- Newlife does not encourage hazardous activities such as bungee jumping – if you are unsure please contact us.
- First Aid – it is always advisable to have qualified First Aid cover at events, particularly when members of the public are involved.

Keep it Legal

Charity fundraising is regulated by law.

Please refer to the 'Fundraising Guidelines' below.

- The charity's name and logo is very valuable to us and we have to protect their use. Please contact us when you need to use them and we will be delighted to assist.
- Please remember it is illegal to go door to door collecting or to collect in a public place without a licence.
- A licence is needed if you have alcohol at your event. You can avoid this by holding your event on licensed premises, or by asking a local pub to organise a bar at your venue.
- Food safety laws apply when food is available at an event whether it is for sale or not.
- If you organise an event that involves the public in any way, you will need to ensure you have public liability insurance.
- For certain types of lottery raffles, registration with the local authority is necessary.

For guidance and support on any of the above points please contact the Newlife Fundraising Team on 0800 988 4640 (Free from UK mobiles & landlines).
