

# Retail **Volunteers** needed

Do you have an eye for detail,  
an interest in **fashion** and a desire  
to help **children with disabilities**?

We are looking for volunteers to help out in our fabulous Newlife Store in Heanor, Derbyshire.

We need people who can help us maintain in-store displays of jewellery or clothes, keep the displays stocked up and looking nice, as well as help customers in the store as required.

No experience is needed but as this is a shop floor role ideally you will have an eye for detail and a polite manner to help us keep our jewellery and fashion sections well stocked and presented. You will not be required to handle cash or use a till.

Opportunities are available most days and ideally you can commit to 2 sessions per week.

Although these roles are voluntary this is a great opportunity to gain valuable retail and merchandising experience, plus earn discounts on purchases and we can supply references for future jobs.

If you want experience in fashion retail or want to support local children with disabilities or terminal illness please call our volunteer team on:

**01543 462777**, ask in-store or  
email **[volunteer@newlifecharity.co.uk](mailto:volunteer@newlifecharity.co.uk)**
