

Our FREE Services

Families of disabled children face many challenges. That's why Newlife, the Charity for Disabled Children, are working to ensure that disabled and terminally ill children get the equipment and support they need, when they need it.

As the UK's largest charitable provider of specialist disability equipment for children and young people, Newlife can enable the children they help to live their lives to the fullest potential.

Newlife supports families throughout the UK through a range of free services including:

Specialist Equipment

Providing the correct specialist equipment with our Equipment Grant Service to offer comfort, prevent injury and enable more independence, empowering your child to thrive in their daily life.

Nurse helpline

Newlife's dedicated helpline is staffed by specialist nurses who are there to help families in need, whether they are struggling with a recent diagnosis and need information and support, or are facing day-to-day challenges of their child's needs.

No two families have the same needs, so the information and support is tailored to each child and family.

Parents and professional carers can talk to Newlife's nurses about anything regarding a child's condition – and sometimes they might just need someone to listen with compassion and without judgement. Newlife's Nurse Helpline is here to help.

We recommend calling the Newlife Nurse Helpline before applying to any of our services.
