

Stock Processor Volunteer

Where? Opportunity Centre, Cannock

How often? The centre is open 09:30am-4:00pm Monday – Friday, excluding Bank Holidays. Flexible hours can be discussed. We are looking for volunteers to complete one session per week (one session = 3 hours).

The opportunity

Volunteering as a Stock Processor gives you the opportunity to be hands-on with the stock that is donated to us by our partners. You will get a first look at the products coming into Newlife and process them to go out to sale across our 10 different stores in the UK. You will work independently and as part of a team within our volunteer community in the Opportunity Centre. If you enjoy being kept busy but also want to socialise, the Opportunity Centre is the place for you!

The tasks, responsibilities and requirements include but are not limited to –

- De-labelling items, removing the retailers' details. Adding a Newlife tag and price point.
- Hanging clothes and quality checking stock to ensure it is ready for sale.
- Preparing stock for transit in cages and crates.
- Supporting other volunteers within the team.
- Interacting with other volunteers and staff members.

What are the benefits of volunteering?

Volunteering provides many personal, professional, and social benefits such as building confidence, improving mental wellbeing and providing unique experiences. Newlife staff members are on hand to help you achieve all that you want to from your volunteer role and throughout your journey with us.
